Harold D. Miller	<ul> <li>I have provided pro bono assistance to the Minnesota Birth Center and its founder, Steve Calvin, at various points over the past eight years. I am very familiar with their birth bundle concept, and I have invited Steve Calvin to give presentations about it at conferences that I have helped organize and moderate, but I have not been directly involved in preparing this proposal. I have encouraged many payers and maternity care providers to pursue similar approaches. Approval of the proposal would have no direct effect on me.</li> <li>I will recuse myself from participating in a PRT or voting on this proposal because of my past involvement with the submitter.
