

DEPARTMENT OF HEALTH & HUMAN SERVICES

Public Health Service

Centers for Disease Control and Prevention  
Health Systems and Worker Safety Task Force  
COVID-19 Emergency Response  
1600 Clifton Road  
Atlanta, GA 30333

January 25, 2023

To the Lawyers' Committee for Civil Rights Under Law:

We are writing in response to your Information Quality Act request letter dated July 8, 2020. The Department reviewed your request at that time and prepared a response which was delayed because of the continued response to the COVID-19 pandemic.

At the time of your request, COVID-19 was an emerging, rapidly evolving situation. We updated our guidance in response to your request in August of 2020. We apologize for not notifying you at the time. Since then, we have made a number of other changes and updates to the CDC guidance to which you originally referred and to the website related to your inquiry. Therefore, the correction requests in the letter dated July 8, 2020 no longer applies to the most currently available information. We provide below the current website locations of relevant information and guidance.

[Isolation and Precautions for People with COVID-19 | CDC](#) (Aug. 11, 2022);

[Strategies to Mitigate Healthcare Personnel Staffing Shortages | CDC](#) (Sept. 23, 2022);

[Interim Guidance for Managing Healthcare Personnel with SARS-CoV-2 Infection or Exposure to SARS-CoV-2 | CDC](#) (Sept. 23, 2022);

[Specific Settings | COVID-19 | CDC](#) (Dec. 7, 2022);

[Your Health | COVID-19 | CDC](#) (Aug. 11, 2022).

You are welcome to submit a revised request for correction on these new documents. If you do so, please send your new request by mail to CDC/ATSDR, Attn: Mailstop D-72 (attn.: Office of Science Quality); 1600 Clifton Road, N.E., Atlanta, GA 30333 or by e-mail to

[InfoQuality@cdc.gov](mailto:InfoQuality@cdc.gov) or Dr. Mary Reynolds ([nzr6@cdc.gov](mailto:nzr6@cdc.gov)). You may also submit a new request for correction by email to [InfoQuality@cdc.gov](mailto:InfoQuality@cdc.gov).

Sincerely,

Brendan Jackson  
Incident Manager  
CDC's COVID-19 Emergency Response
